(ii) that it is prescribed as qualification necessary for the candidate to continue in his post without penalty,

or

(iii) that it has been newly imposed on the candidate already in the service concerned.

(b) The applicants should furnish the following particulars also through the office granting them the certificate for exemption from payment of fees:

(1) the specific clause (vide (i), (ii) and (iii) above) under which the applicant's case is covered,

(2) if the applicant's case is covered by clause (ii) or (iii), the subject with grade for which, the year, the session (i.e., the month) of examination when, the centre where and the number of times he appeared for the examination availing himself of the concession of exemption from payment of fees previous to his applying now; or if the fee paid, was ever at any time previous to this refunded to him, the year and the session of examination to which such refund related as also the amount of refund made in respect thereof.

(c) Certificates for exemption from payment of fees submitted by candidates in respect of previous sessions of examination cannot hold good for the session they are applying and no copy of certificate can be accepted. It is therefore incumbent upon the candidate to obtain one afresh from the appointing authority and submit the same along with the prescribed application form duly filled up.

In the absence of the particulars required above, the applicants will distinctly understand that their cases will not be considered.

11. The prescribed fee must be paid in every case into a Government treasury, or, if at Madras, into the Reserve Bank of India, and the receipt (supplied to

candidates along with forms of application) signed and given by the Treasury Officer or the Reserve Bank of India attached to the application, which in every case must reach the Commissioner's Office on or before the 1st February.

NOTE.—A candidate in an Indian State may obtain a draft on the local branch of the Imperial Bank paying therein the examination fee as well as the commission for the draft and send it to this office along with the prescribed form of application duly filled in.

When the examination fees on behalf of pupils of an institution are remitted in a lump sum, a consolidated bank draft may be obtained and the same should be sent to this office along with the application of the candidates together with a list showing the names of candidates and the amount collected from each of them.

12. Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date for receipt of applications.

13. On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury Officer to whom the amount was sent and forward the receipt so obtained to this office at once; care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's Office by the date prescribed.

14. The fee paid will not ordinarily be refunded nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the Notification carefully and satisfy themselves before remitting their fees, that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical examinations.

APPLICATION FORMS—PROCURING OF—FILLING IN AND THE SUBMISSION OF APPLICATIONS, ON OR BEFORE THE 1ST FEBRUARY.

15. Applications prepared in manuscript or typewritten forms or forms intended for other examinations will not be accepted.

16. Candidates in the mufassal should obtain the required application forms from the treasury of the taluk in which they are residents or of the district to which they belong. Candidates in Mysore and Hyderabad States should obtain the same from the Resident's Treasury; those in Travancore, Cochin and Pudukottah States from the Resident's Treasury, Trivandrum; and those in Coorg from the Treasury Officer, Coorg, Mercara. Candidates who are residents of Madras should apply for application forms to the Secretary to the Commissioner for Government Examinations, Cathedral Post Office (Madras), and not to the Collector of Madras.

NOTE.—An addressed envelope (with the required postal stamps affixed) should invariably accompany all requisitions for forms of application. No notice will be taken of a requisition not accompanied by a stamped envelope.

N.B.—No notice will be taken of any application, from candidates in the mufassal requesting to be supplied with application forms from this office.

17. Only one form of application should be used by each candidate, although he may bring up several subjects mentioned above and come up for different grades.

NOTE.—Separate forms of application should be submitted for the examinations in the High Speed Tests in Shorthand (English).

18. Candidates must send in their applications made out clearly in English on printed forms so that they may reach the Commissioner's office on or before the 1st February 1943, after which date and for fifteen days only (viz., till the 16th February 1943), applications will be entertained on payment of a penal fee of rupee one each and no such applications will be entertained after the lapse of fifteen days from the prescribed date for receipt of applications.

19. To admit of the applications reaching the Secretary to the Commissioner for Government Examinations on the due date, candidates should remit their fees sufficiently early, even three or four days before the latest date so that the applications together with their enclosures may reach this office on or before the prescribed date for receipt of applications.

20. Candidates should write their names in block capitals, their father's names and their house names distinctly and in full in their applications; if 'Hindus' they should state in column 3 of their applications whether

they are 'Brahman,' 'Non-Brahman (Hindu),' or 'members of scheduled classes.'

NOTE.—Women candidates should write the letter 'W' in brackets against their names in column 1 of their applications.

21. Only one centre ought to be selected by each candidate, although he may offer several subjects for examination and come up for different grades. The centre selected must invariably be the place where he is employed or ordinarily resides. All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications and also the names of applicants) by the head of that institution, no application of any private candidate being enclosed with these applications.

22. Every application should contain satisfactory proof of the applicant's general educational attainments by reason of which he is eligible to appear for the examinations in the subjects and for the grades in them brought up by him.

NOTE.—(1) (a) In the case of those candidates who have completed the Secondary School-Leaving Certificates, full particulars with regard to the name of school, the year when and the serial number of the certificate;

(b) in the case of those who have passed the Matriculation or P.A. or Intermediate in Arts, or B.A. or M.A. Degree Examinations, full particulars with regard to the date and page of the Fort St. George Gazette, announcing their success in the examinations, as the case may be, should be correctly furnished in the columns provided for the purpose in the prescribed application form for admission to the Government Technical Examinations;

(c) those who do not come under (a) or (b) supra should take care to see that the certificate either at A or B on the reverse of the application form, is submitted with the entries duly made in it and certified accordingly by the authorities concerned; and

(d) those who come under the category at (c) supra and whose general educational qualification is lower than that prescribed under Article 5 of the Notification regulating the Government Technical Examinations, should submit also a certificate from a competent person, that is, from one who has passed the Advanced or the Higher grade examination to the effect that the knowledge possessed by the applicants is up to the standard of the grade for which the candidates are applying.

NOTE.—Instructions under (c) and (d) of Note (1) under paragraph 22 supra apply to all the subjects of examination except those under "Commerce."

(2) Applicant who claims to appear for the Higher grade examinations in the subjects of the group "Commerce" (except Shorthand—English—High Speed Tests) by reason of rule (1) of (2) under paragraph 3 of the conditions of admission specified under paragraph 2 supra should send per "Registered post" to this office along with this application for admission to the examination, his S.S.L.C. for reference and return or an authenticated copy of his marks at the S.S.L.C. Public Examination.

(3) Candidates who do not possess the required general educational qualifications but once appeared and failed in a particular subject and grade, or were once permitted by the Commissioner to come up for a particular subject and for a particular grade will be admitted provided that they are appearing in the same subject and for the same grade and that in the former case, they quote in their applications for admission to the examinations, the year when they failed, and the centre at which they appeared and in the latter case, the number and order of the Commissioner granting them the permission.

23. The subject the applicant desires to be examined in should be specified exactly as it is described in the Notification regulating the Government Technical Examinations or as they are described in this notice under the heading "Subjects of Examinations."

24. The occupation or profession of candidates, or the appointments held by them and their addresses (postal address) should invariably be stated in full in column 10 of their applications.

NOTE.—Candidates should particularly see that they do not fail to sign and date their applications at the columns provided for the purpose.

25. Heads of institutions are requested to see, before the certificate at the foot of the application forms is signed by them, that their institution has been recognized by the Director of Public Instruction, Madras, or by the Director of Industries, Madras, as fitted to impart instruction in the Technical subjects and for the grades in them brought up by their pupils and that they quote in the applications the number and date of the proceedings of the authority that accorded such recognition.

N.B.—Heads of institutions recognized for General Education only should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

26. Heads of approved schools of Commerce are requested to fill in and sign the certificate at 'C' on the reverse of the (revised) application form. (Please see vide form of certificate shown under paragraph 2 supra—conditions of admission.)

NOTE.—(1) Candidates are particularly requested to note carefully the footnotes (printed under the headings "Subjects of Examinations" and "Centres of Examinations") when they fill in the application forms and such particulars as are necessary [vide notes (a) to (d) under "Subjects of Examination"] must invariably be noted by them in their applications in unequivocal terms.

(2) Applications defective in any of the particulars will be returned.

27. No drawings, plans, surveys, field books, estimates or other certified works need be sent in connexion with the examinations as per the syllabuses now in force.

28. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, the receipt for the fee paid being securely fastened to it :—

(Application for admission to the Government Technical Examinations of April 1943.)

N.B.—Candidates anxious to assure themselves that their applications have been received should enclose an addressed post card (with the required postal stamp affixed) in their respective applications. The

post cards should bear the sender's address and be accompanied by a stamp of the office impressed upon them. Such post cards will be returned to the applicant on receipt of acknowledgment except that required by the Post Office. Registered covers can possibly be given in place of post cards. No acknowledgment of any letter from any candidate inquiring whether the application has been received. Insufficiently stamped covers will not be accepted.

TIME-TABLE.

29. Subject to any changes that it may be found convenient to make in the arrangements, the Government Examinations will be conducted in the order and time and subject as shown in the following Table.

Note.—Candidates will not be allowed to come up in person to one of the subjects bracketed together for the same time and day in the table below; or for more than one grade of examination in the same subject at one and the same session of examination.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued and their conduct will be reported to the Syndicate for disciplinary action.

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, blotting pad, card-board, manuscript, or paper of any description and from making use of any of those whether introduced into the room by themselves or by anyone else; from communicating with or copying from each other; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in Mathematics, Physics, Chemistry, Chemical Technology and Geography of the Intermediate, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.Sc. and Pre-Registration (Medicine) examinations and to the candidates answering the Arithmetic and Algebra paper of the Matriculation examination. Candidates should not bring into the examination hall their own copies.

9. Candidates for examination in Science subjects shall submit their laboratory note-books to the examiners concerned on the first day of the practical examination. Each of the candidates taking Botany as the main subject for B.Sc. Degree Examination must submit at the practical examination his laboratory note-book, a collection of the named plants collected and preserved by himself and a record of the field work. The candidates should get back the laboratory note-books at the close of the examination.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is requested to the instructions regarding rough working and loose sheets of paper printed on the answer books. Answer should be written on both sides of the pages of the answer book. All rough work must be done on the right hand side of the problem itself leaving a margin for that purpose with the heading 'Rough Work' underlined. The number of each question as given in the question paper should be noted both in the margin and in the centre of the page of the answer book just above the respective answer. No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. Candidates sitting for the examinations at the different centres should apply to the Chief Superintendent of the respective centre for their hall tickets three days before the commencement of the respective examinations. Any particulars noted in the hall ticket differing from those given in the application for the examination should be immediately reported to the Chief Superintendent by the concerned candidate.

It will not be permissible for candidates to sit for the examination at a centre other than that at which their names are registered without the special permission of the University. No permission for change of centre will be granted after the application is received.

14. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendent of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective sections. The effect of such action, the identification certificate is produced shall have the same effect as that of a college or a Government school, or a recognized high school will suffice.

(9) Candidates are prohibited from noting down the answer to any question on the question paper itself. They are also prohibited from writing upon their hall tickets.

NOTE. The question paper should not be used for any kind of rough calculation. The drawing of diagrams and the writing of answers other than the answer book, e.g., in the question paper, blank sheet, spare sheet of paper, on the writing desk, plank pad, finger-nails, kerchief, shirt, coat, etc., are strictly prohibited.

(10) Candidates are forbidden to ask questions of any kind during the examination or from communicating with the examiners or hall superintendents. Any candidate who communicates with the examiners or who does not behave properly towards the Chief and Assistant Superintendents of the examination or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter, is liable to have his examination invalidated and also to be debarred from appearing again for any of the examination under the control of the Commissioner for such term of years as the Commissioner may think fit, or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results he may be required to undergo a re-examination at some future day to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

All the candidates whose names are included in the nominal roll will be deemed to have given an undertaking that they will abide by all the rules now in force or those to be brought into effect hereafter in respect of the examination including the following. No revaluation of answer papers is permissible.

(11) Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents giving full particulars in regard to themselves including their address, and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(12) Private candidates will be provided with hall-tickets. Candidates should bring with them to the examination hall each day of the examination, their hall tickets for inspection by the Chief Superintendent. Besides the hall tickets, they should produce, on the first day of their appearance for the examination, an identification certificate from a responsible person, preferably a Government official, to the effect that the candidate whose signature has been affixed in the presence in the certificate is known to him. They should also be required to put their signatures in the identification certificates produced by them before the Chief Superintendents of the respective centres.

The specimen of the identification certificate is printed on the reverse of the hall ticket form.

(13) Private candidates who are not in receipt of their hall tickets may appear for the examination by giving declaration to the Superintendent that they applied for admission to the examination and paid the prescribed fees. (Vide item 11 *supra*.)

(14) Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared, must not expect to have their answer papers valued. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

(15) A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer-books. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

(16) Any answer-book sent up without the candidate's name, number, the school to which he belongs and the centre at which he takes the examination written will not be valued. The answer-books should be securely fastened together at the left hand corner, the additional answer-book being placed below the answer-book.

(17) Candidates will not be allowed to take any papers, except their question papers, out of the examination hall.

(18) Candidates will have to write their answers on both sides of the paper supplied to them and in this case they will receive the necessary instructions on this point in the examination hall from the Chief Superintendent of the examination. No separate answer-books or additional sheets for rough working will be supplied to candidates.

(19) Candidates are forbidden to tear up papers or to throw ink or papers on the floor.

(20) The names of successful candidates will be published in the *Fort St. George Gazette* in due course.

(21) *Issue of certificates to the successful private candidates.*—Private candidates who come out successful in the examination will have to apply for their certificates to the Deputy Inspector of Schools or the Sub-Assistant Inspector concerned some time in June 1943 furnishing their full address. Their certificates will not be supplied to them direct.

(22) Candidates are strictly forbidden from smoking in the examination room.

(23) Applications from unsuccessful candidates or from persons on their behalf asking for information as to the cause of failure or for a revaluation of their answer papers will not be attended to.

Instructions to candidates appearing for the examinations to be held in 1943.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer-books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.

Candidates are strictly prohibited from smoking in the examination room.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Science will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates offering Mathematics, Physics, Chemistry, Geography, Electrical Engineering and Mechanical Engineering of the Intermediate Examination, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.A., B.S.Sc., B.Sc. (Ag.), B.Sc. (Pharmacy) and B.V.Sc. Degree Examinations and Pre-Registration and O.T. Siromani (Jyotisha Branch only) Examinations only.

An "earnest" fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is one rupee.

9. Candidates for examination in science subjects are required to submit their laboratory note-books both in the main and in the subsidiary subjects to the Examiner concerned on the first day of the practical examination and to get them back at the close of the examination.

Candidates for the Practical Examinations must note that breakages in apparatus during the practical examinations will be recouped from the candidates concerned to the extent of 50 per cent of the cost of replacement.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

11. Candidates for all the examinations shall write their answers on both sides of the paper in their answer-books. In the case of subjects like Mathematics and Physics where rough working happens to be necessary the regular answers to questions may be limited to three-fourths of each page, the remaining portion (a fourth of

the page) in each page being left exclusively for rough working. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer-books of candidates. If the ordinary answer-books are found insufficient, additional books will be supplied and these should be securely fastened to the answer-books.

12. AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD STAND UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS GONE UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

Where the halls are suitable, the following alternative procedure may be adopted: at the end of the period prescribed for each particular paper the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in positions from which they may command a good view of the blocks entrusted to their care; when all the candidates have moved out, the Superintendents will collect the answer-books.

13. COMMUNICATIONS TO THE REGISTRAR FROM CANDIDATES REQUESTING INFORMATION RELATING TO THE RESULTS OF EXAMINATIONS WILL NOT RECEIVE ATTENTION UNTIL AFTER THE PUBLICATION OF THE RESULTS IN THE *Fort St. George Gazette*.

14. ALL MUFASSAL CANDIDATES MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE RESPECTIVE CENTRES AT WHICH THEY ARE TO BE EXAMINED, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATION. CANDIDATES FROM COLLEGES IN MADRAS MUST OBTAIN THEIR HALL TICKETS ONLY FROM THE PRINCIPALS OF THEIR RESPECTIVE COLLEGES. PRIVATE CANDIDATES AND THOSE FROM MUFASSAL COLLEGES APPEARING FOR EXAMINATIONS TO BE HELD IN MADRAS MUST OBTAIN THEIR HALL TICKETS AT THE OFFICE OF THE REGISTRAR, UNIVERSITY OF MADRAS, UNIVERSITY BUILDINGS, CHEPAUK, MADRAS, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATION. INFORMATION AS TO THE PLACES OF EXAMINATION WHERE THE CANDIDATES ARE TO BE EXAMINED IN MADRAS AND OTHER CENTRES WILL BE DULY NOTIFIED AT THE UNIVERSITY BUILDINGS AND IN THE *Fort St. George Gazette*.

15. No College student will be allowed to select a centre for his examination other than that in which the College he studies is situated except for satisfactory reasons and on the recommendation of the Principal of his College.

16. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. Such identification certificates may be obtained from a Principal of a constituent or affiliated college, a Headmaster of a recognized High School, or from a responsible officer of the Government.

N.B.—Candidates should write on both sides of the answer-book.

In cases other than those where the test is prescribed as part of probation and training the free concession is limited to two chances for each test. Failure to sit at an examination after sending in an application will not operate to exclude that examination from the number of free chances allowed, unless the officer was unable to sit for the examination on medical grounds certified by a District Medical Officer or unless the head of his department certifies that he was prevented by urgent official business.

(ii) Only graduates in law are eligible for admission to the tests specified in items (6) and (7) above.

4. Candidates must send their applications DIRECT to the office of the Commission BY REGISTERED POST in the latest form which can be obtained on requisition from the Secretary, Madras Public Service Commission, Cathedral P.O., Madras.

APPLICATIONS WHICH ARE NOT IN THE LATEST FORM WILL NOT BE ACCEPTED.

V.B.—Forms of application will not be supplied by treasury officers.

5. The applications must reach the office of the Commission not later than 31st March 1943.

APPLICATIONS RECEIVED AFTER THAT DATE WILL NOT BE ADMITTED ON ANY ACCOUNT, EVEN IF THE DELAY IN THE RECEIPT OF THE APPLICATIONS IN THE OFFICE OF THE COMMISSION IS DUE TO THE APPLICATIONS HAVING BEEN SENT UNDER A MISAPPREHENSION THROUGH THE HEADS OF OFFICES. CANDIDATES ARE WARNED TO SEND THE APPLICATIONS DIRECT TO THE OFFICE OF THE COMMISSION SO AS TO REACH IT BEFORE THE PRESCRIBED DATE.

TO ENSURE THAT THE APPLICATIONS REACH THE OFFICE OF THE COMMISSION IN TIME, CANDIDATES ARE ADVISED TO REMIT THEIR FEES AND SEND THEIR APPLICATIONS SUFFICIENTLY IN ADVANCE OF THE ABOVE DATE.

NOTE.—The system of admitting applications on payment of a penal fee of Re 1, up to fifteen days after the last date prescribed for the receipt of applications, has been discontinued.

6. The prescribed fee must be paid into a Government treasury or into the Reserve Bank of India, Madras, or its agency, to the credit of the Madras Government under the following head of receipt "XXXVI. Miscellaneous Departments—(a) Examination fees—Madras Public Service Commission."

The treasury or bank receipt should be attached to the application.

On no account will the fee be received in the office of the Madras Public Service Commission.

NOTE.—(i) Treasury or bank receipt bearing a date earlier than 28th February 1943 will not be accepted.

(ii) Where the fee is remitted into a treasury outside the Madras province, the words "Madras—Provincial" must be marked in red ink prominently on the right-hand top corner of the chalan.

7. The fee paid by a candidate will ordinarily not be refunded. Candidates are therefore warned to satisfy themselves, before sending in their applications, that the applications are in the latest form prescribed, that the particulars required in the form are supplied fully and correctly and that their applications are submitted sufficiently in advance so as to reach the office of the Commission before the date prescribed in paragraph 5 above.

NOTE.—In the case of defective applications not admitted by the Commission and in cases in which candidates absent themselves from the examination and the Commission is satisfied that their absence was unavoidable and due to causes for which they were not responsible, the amount of the fee, on application made by the candidates, will be adjusted towards the fee for another examination, if the candidates are eligible to appear for such examination. No such adjustment will be made in respect of applications received after the date prescribed in paragraph 5 above.

8. Every application with the treasury or bank receipt securely fastened to it should be sent by registered post superscribed and addressed as follows:—

"Application for admission to the Special Test Examinations."

To

The Secretary, Madras Public Service Commission,
Cathedral P.O., Madras."

N.B.—No other form of acknowledgment than that required by the Postal rules regarding registered covers will be given regarding the receipt of the applications in the Commission's office; nor will any notice be taken of any letter from any candidate enquiring whether his application has been received.

9. Candidates should correctly fill up the particulars in the form of application and write legibly. A candidate for the Revenue Test or the Criminal Judicial Test should state the part or parts in which he desires to be examined. A candidate for the Translation Test should state the language in which he desires to be examined. *Applications which are irregular or defective in any particular will be liable to summary rejection.*

10. No notice will be taken of any letter from a candidate requesting permission to bring up other tests in lieu of, or in addition to, those entered by him in his application.

11. No notice will be taken of the application of a candidate who selects a centre which is not included in the list of centres given in paragraph 1 above. The place of examination entered in the application must invariably be the place where the candidate is employed or resides, or if it is not a centre, the place nearest to it where the examination is held.

12. A candidate cannot be allowed to change the place of examination named by him in his application unless he is employed in the public service and unless application so to change the place of examination is made on his behalf by the head of the office in which he is employed and it is also certified by him, or by the candidate's immediate superior, if the candidate is himself the head of an office, that the change is necessary in the interest of the public service or is otherwise unavoidable. *Such applications for change of centre should be made so as to reach the Commission's office not later than 1st May 1943*

A candidate changing his place of examination without the permission of the Madras Public Service Commission must be prepared to have his examination annulled.

13. A candidate who submits an application for admission to an examination will be deemed to have given an undertaking that he will abide by all the rules now in force and all the rules which may hereafter be brought into force in respect of that examination.

14. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or is found to have had recourse to malpractice of any kind will have his examination invalidated. If such a candidate is not a Government servant, he is also liable to be debarred from appearing again for any of the examinations for such term of years as the Commission may think fit; and if he is a Government servant, he will be reported to the Head of the Department for disciplinary action. The same penalty will be imposed on any candidate who personally or by letter attempts to canvass or to bring influence to bear on an examiner or a member of the Commission or its staff in connexion with the examination, or on whose behalf such attempt is made by any relative, friend, patron, official or other person.

15. If for any reason the Commission is not satisfied as to the trustworthiness of a candidate's results, the candidate will be required to undergo a re-examination in one or more of the subjects of the examination for which he appeared and his success or failure will be determined on the result of such re-examination.

16. Subject to any change that may be found to be necessary, the examinations will be conducted in the order of time and subjects shown in Annexure A to this notification. Candidates are at liberty to apply for as many tests together as the time-table of the examinations allows. But whatever may be the number of tests applied for, only one application form should be used.

17. For any further information that may be required candidates are referred to the notification regulating the Special Test Examinations, published in Part I of the *Fort St. George Gazette*, dated 6th January 1942, copies of which are on sale at the Government Press, Madras. No copies of that notification can be supplied to candidates from the office of the Madras Public Service Commission.

18. Memorandum of admission to the Special Tests will be sent to the candidates a week before the date of the examination. Candidates who do not receive it five days before the date of the examination should apply for it to the Secretary, Madras Public Service Commission, Cathedral P.O., Madras.

19. The results will be published in the *Fort St. George Gazette*; no certificates of success will be issued.

20. Any communication intended for the Commission must be made in writing and addressed to the Secretary, and, if a reply is sought, must be accompanied by a stamped envelope with the address to which the reply is to be sent written on it.

In cases other than those where the test is prescribed as part of probation and training, the free concession is limited to two chances for each test. Failure to sit at an examination after sending in an application will not operate to exclude that examination from the number of free chances allowed, unless the officer was unable to sit for the examination on medical grounds certified by a District Medical Officer or unless the head of his department certifies that he was prevented by urgent official business.

(c) In the case of tests for which no fees are payable and which are required to be passed for promotion to higher posts, the concession to apply without payment of fee is restricted to two applications for each test. Officers desirous of applying for such tests after exhausting two free applications commencing from the examinations held in December 1936, will be permitted to do so only on payment of fee at the rate of Rs. 2 for each paper, subject to a maximum of Rs. 10 and a minimum of Rs. 4 per test.

NOTE.—(i) Treasury or bank receipt bearing a date earlier than 23rd February 1943 will not be accepted.

(ii) Where the fee is remitted into a treasury outside the Madras Province, the words "Madras Provincial" must be marked in red ink prominently on the right hand top corner of the chalan.

(b) The fee paid by a candidate will ordinarily not be refunded. Candidates are therefore warned to satisfy themselves, before sending in their applications, that they are eligible under the rules in force to be admitted to the tests for which they apply, that the applications are in the latest form prescribed, that the particulars required in the form are supplied fully and correctly and that their applications are submitted through their superior officers sufficiently early so as to reach the office of the Commission before the date prescribed in paragraph 10 below.

NOTE.—In the case of defective applications not admitted by the Commission and in cases in which candidates absent themselves from the examination and the Commission is satisfied that their absence was unavoidable and due to causes for which they were not responsible, the amount of the fee, on application made by the candidates will be adjusted towards the fee for another examination if the candidates are eligible to appear for such examination. No such adjustment will be made in respect of applications received after the date prescribed in paragraph 10 below.

8. Applications for admission to the tests should be submitted through the heads of departments or offices in which the candidates are employed. If the candidate is himself the head of an office he should submit his application through the head of his department. Candidates who are not employed should submit their applications direct to the Commission. In the case of candidates selected for appointment to services other than the Madras Ministerial Service but not yet appointed, the applications should be submitted through the heads of departments concerned. Candidates selected for admission to the Madras Ministerial Service but not yet appointed should submit their applications through the heads of the offices or groups of offices for appointment in which they have been selected. The Officers should, while forwarding the applications to the Commission, attach a certificate to the effect that the candidates are eligible for admission to the tests for which they apply.

9. Latest form of application can be obtained on requisition, from the Secretary, Madras Public Service Commission, Cathedral P.O., Madras.

Applications which are not in the latest form will not be accepted.

10. Candidates must send in their applications so as to reach the head of the office or department concerned not later than the 24th March 1943. Heads of offices and departments are requested to forward the applications with the certificate mentioned in paragraph 8 above, so as to reach the office of the Commission not later than the 31st March 1943. Applications received after these dates will be rejected.

N.B.—A candidate anxious to assure himself that his application has been received should attach an addressed post card to his application. The post card will be returned to him in due course with the stamp of the office impressed upon it. The post card so received will not mean that the application has been admitted. The post card should bear the sender's address only and no other writing. No other form of acknowledgment except that required by the Postal rules regarding registered covers can be given, nor will any notice be taken of any letter from any candidate enquiring whether his application has been received. Insufficiently stamped covers will be rejected.

11 (a) Candidates should correctly fill up the particulars in the form of application, and write legibly.

(b) In the case of the following tests, candidates should specify in their applications the language or languages in which they wish to appear for them:—

(d) Applications which are irregular or defective in any particular will be liable to summary rejection.

12. No notice will be taken of the application of a candidate who selects a centre which is not included in the list of centres given in paragraph 3 above. The place of examination entered in the application must invariably be the place where the candidate is employed or resides or, if it is not a centre, the place nearest to it where the examination is held.

13. A candidate cannot be allowed to change the place of examination named by him in his application unless application to change it is made on his behalf by the head of the office in which he is employed and it is also certified by him, or by the candidate's immediate superior, if the candidate is himself the head of an office, that the change is necessary in the interest of the public service or is otherwise unavoidable. Such applications for change of centre should be made so as to reach the Commission's office not later than the 1st May 1943.

A candidate changing his place of examination without the permission of the Madras Public Service Commission must be prepared to have his examination annulled.

14. A candidate who submits an application for admission to an examination will be deemed to have given an undertaking that he will abide by all the rules now in force and all rules which may hereafter be brought into force in respect of that examination.

15. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or is found to have had recourse to malpractice of any kind will have his examination invalidated. If such a candidate is not a Government servant, he is also liable to be debarred from appearing again for any of the examinations, either permanently or for such term of years as the Commission may think fit; and if he is a Government servant, he will be reported to the head of the department for disciplinary action. The same penalty will be imposed on any candidate who personally or by letter attempts to canvass or bring influence to bear on an examiner or a member of the Commission or its staff in connection with the examination, or on whose behalf such attempt is made by any relative, friend, patron, official or other person.

16. If for any reason the Commission is not satisfied as to the trustworthiness of a candidate's results, the candidate will be required to undergo a re-examination in one or more of the subjects of the examination for which he appeared, and his success or failure will be determined on the result of such re-examination.

17. Subject to any change that may be found to be necessary, the examinations will be conducted in the order of time and subjects shown in Annexure II to this notification.

18. Memorandum of admission to the examination will be sent to the candidates a week before the date of the examination. Candidates who do not receive it five days before the date of the examination should apply for it to the Secretary, Madras Public Service Commission, Cathedral P.O., Madras.

19. The results will be published in the *Fort St. George Gazette*; no certificates of success will be issued.

20. Any communication intended for the Commission must be made in writing and addressed to the Secretary, and, if a reply is sought, must be accompanied by a stamped envelope with the address to which the reply is to be sent written on it.

and subdivisions, protractor, setsquares, dividers, compasses, a piece of rubber or eraser and a hard pointed pencil; those in *Typewriting*, typewriters and necessary carbon paper; and those in *Commercial Practice, Book-keeping, Shorthand and Typewriting*, rulers, erasers, knives and ink of two or more colours (other than black ink) for map drawing, drawing lines in book-keeping, etc.

Candidates except in the case of Elementary Mathematics and Algebra and Geometry who use graph sheets should so place them, in the answer-book that the graph may face the sheet on which the corresponding question is worked and there should be no working on the back of the graph sheets.

4. *Chemistry*.—Candidates in this subject will be permitted, if they desire it, to use a stencil for making drawings of apparatus.

5. *Shorthand*.—Candidates in this subject will be allowed to transcribe their shorthand notes with a typewriter. They will not be supplied with any 'thick' paper for the purpose, but will be allowed to bring with them their own 'thick' paper if they wish to use such paper. If the machine used by a candidate, however, goes out of order, no extra time will be given to him to compensate for loss of time while the machine is out of order and being set right.

6. *Typewriting*.—Heads of institutions who desire that their pupils in this subject should be examined in batches, should make the necessary arrangements with the Chief Superintendent concerned three days before the examination in this subject and furnish him with all necessary information as to the number of candidates and machines and the time at which each batch should attend on the day fixed for the examination.

At least every three candidates must have one machine among them for the batch examination.

Instructors of institutions concerned will be allowed into the examination room in the intervals between the examinations of the various batches to inspect the machines and to remedy any defects.

If a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate the fact to the instructor if he is waiting outside in the premises and will permit him to enter the room (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendents incur no responsibility in this matter; this action will be purely *ex gratia*, the whole responsibility resting on the candidate and the instructor. No extra time will be given to a candidate to compensate for loss of time while the machine is out of order and being set right.

7. *Needlecraft*.—Candidates must bring to the examination room scissors, thimbles, needles, measuring tape, pins, sewing cotton, pencils, rulers and rubber.

8. *Music (Indian)*.—(1) Candidates will be allowed to bring into the examination hall their own rulers, erasers and pencils. (These are essential for marking the music into its constituent avartas in the notation question.)

(2) When writing answers to the notation questions or in answering questions relating to the identification of ragas of given passages, candidates should neither sing the music in a slender tone nor even hum the tune. (Non-observance of this rule will give clues to the other candidates.)

* 9. *Elementary Science*.—Each candidate in this subject will be supplied with two answer books, one for the answers in the *Physical Science* part and the other for the answers in the *Natural Science* part. The candidates are warned not to write down the answers to both the parts in one and the same answer book. They should also be careful to put down in the outer cover of the answer book, the correct subject, namely, *Physical Science* or *Natural Science* according to the answers contained in it.

10. A copy of the nominal list for the examination will be posted at the entrance to the examination

hall a day or two before the examination, and candidates will find the register numbers assigned to them from this list.

11. Attention is also drawn to the following rules which should be strictly observed:—

(1) Strict silence should be maintained in the examination room.

(2) No candidate will be allowed to enter the examination room unless he wears a clean and decent dress.

(3) No candidate suffering from any contagious disease will be admitted to the examination room.

(4) Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. No one will be allowed to quit the examination room on any day until the expiration of at least half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half an hour will not be admitted.

(5) No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer paper.

(6) They are not allowed to exceed the time assigned to each paper.

(7) Any candidate detected in speaking to, or in any way communicating with or copying from any other candidate will be at once removed from the room and the circumstances reported to the Secretary to the School-Leaving Certificate Board, Madras, for necessary action.

(8) No candidate will be allowed to take into the examination room, slates, books or portions of books, ruled sheets, manuscripts or papers of any kind. Anyone detected in the violation of this rule or having recourse to any unfair practices will be removed from the room and the occurrence reported to the Secretary to the School-Leaving Certificate Board, Madras, for necessary action.

(9) Candidates are prohibited from noting down the answer to any question on the question paper itself. They are also prohibited from writing upon their hall-tickets.

(10) Candidates are forbidden to ask questions of any kind during the examination or from communicating with the examiners or hall superintendents. Any candidate who communicates with the examiners or who does not behave properly towards the Chief and Assistant Superintendents of the examination or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter, is liable to have his examination invalidated and also to be debarred from appearing again for any of the examination for such term of years as the Secondary School-Leaving Certificate Board may think fit; or if the Board is not satisfied, for any reason whatsoever, as to the trustworthiness of his results, his results may be cancelled or he may be required to undergo a re-examination at some future date to be fixed by the Board in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

(11) Candidates whose names are not in the printed list furnished to the Superintendents must submit a written declaration through the Superintendents giving full particulars in regard to themselves, including their addresses, and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fees. The answer-books of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

(12) Private candidates will be provided with hall tickets. Candidates should bring with them to the examination hall, each day of the examination their hall tickets for inspection by the Chief Superintendent. Besides the hall tickets, they should produce, on the first day of their appearance for the examination an identification certificate from a responsible person, preferably a Government Official, to the effect that the candidate whose signature has

been affixed in his presence in the certificate is known to him. They should also be required to put their signatures in the identification certificates produced by them before the Chief Superintendents of the respective centres.

(13) Private candidates who are not in receipt of their hall tickets may appear for the examination by giving declaration to the Superintendent that they applied for admission to the examination and paid the prescribed fees.

(14) Candidates choosing to change their place of examination without previous permission or appearing at any centre other than the one at which they ought to have appeared, must not expect to have their answers valued. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

(15) As soon as candidates have finished writing their answers and wish to give up their answer-books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the Superintendents has gone up to him and has received his answer-book from him.

(16) Candidates are warned that they must enter very distinctly their register number only on the first page of the answer-books and not their Secondary School-Leaving Certificate number or name and that answer-books containing the register number as well as the Secondary School-Leaving Certificate number or the name or both will not be valued.

(17) Any answer-books sent up without the register number affixed will not be valued. The answer-books should be securely fastened together at the left-hand corner, the additional answer-books being placed below the answer-book. In the case of needlecraft (practical), the work of candidates should bear the register number tacked on the *outside* of the garment.

(18) Candidates will not be allowed to take any papers, except their question-papers, out of the examination room.

(19) Candidates will have to write their answers on both sides of the paper supplied to them and in this case they will receive the necessary instructions in the examination hall from the Chief Superintendent of the examination. No separate answer-books or additional sheets for rough working will be supplied to candidates.

(20) Candidates are forbidden to tear up papers or to throw ink or papers on the floor.

(21) Candidates are strictly prohibited from smoking in the examination room.

(22) Communications to the Secretary, Secondary School-Leaving Certificate Board, Madras, from candidates requesting information relating to the results of the examination will not receive attention, until after the publication of the results.

Office of the Commr. for Govt. Examinations,

UNIVERSITY OF MADRAS.

Election to the Senate.

It is hereby notified that an election has to be held to elect a member to the Senate by the members of the Tinnevely District Board from among themselves, under section 14 (a), class III (6) of the Madras University Act.

The Collector of Tinnevely, Tinnevely, is requested to hold the election and intimate the result of the same by the 3rd April 1943.

University Buildings, Chempauk,
Madras, 2nd March 1943.

Instructions to candidates appearing for the examinations to be held in 1943.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer-books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.

Candidates are strictly prohibited from smoking in the examination room.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Science will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates offering Mathematics, Physics, Chemistry, Geography, Electrical Engineering and Mechanical Engineering of the Intermediate Examination, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.A., B.S.Sc., B.Sc. (Ag.), B.Sc. (Pharmacy) and B.V.Sc. Degree Examinations and Pre-Registration and O.T. Siromani (Jyotisha Branch only) Examinations only.

An "earnest" fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is one rupee.

9. Candidates for examination in science subjects are required to submit their laboratory note-books both in the main and in the subsidiary subjects to the Examiner concerned on the first day of the practical examination and to get them back at the close of the examination.

Candidates for the Practical Examinations must note that breakages in apparatus during the practical examinations will be recouped from the candidates concerned to the extent of 50 per cent of the cost of replacement.

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

11. Candidates for all the examinations shall write their answers on both sides of the paper in their answer-books. In the case of subjects like Mathematics and Physics where rough working happens to be necessary the regular answers to questions may be limited to three-fourths of each page, the remaining portion (a fourth of

the page) in each page being left exclusively for rough working. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer-books of candidates. If the ordinary answer-books are found insufficient, additional books will be supplied and these should be securely fastened to the answer-books.

12. AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD STAND UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS GONE UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

Where the halls are suitable, the following alternative procedure may be adopted: at the end of the period prescribed for each particular paper the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in positions from which they may command a good view of the blocks entrusted to their care; when all the candidates have moved out, the Superintendents will collect the answer-books.

13. COMMUNICATIONS TO THE REGISTRAR FROM CANDIDATES REQUESTING INFORMATION RELATING TO THE RESULTS OF EXAMINATIONS WILL NOT RECEIVE ATTENTION UNTIL AFTER THE PUBLICATION OF THE RESULTS IN THE *Fort St. George Gazette*.

14. ALL MUFASSAL CANDIDATES MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE RESPECTIVE CENTRES AT WHICH THEY ARE TO BE EXAMINED, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATION. CANDIDATES FROM COLLEGES IN MADRAS MUST OBTAIN THEIR HALL TICKETS ONLY FROM THE PRINCIPALS OF THEIR RESPECTIVE COLLEGES. PRIVATE CANDIDATES AND THOSE FROM MUFASSAL COLLEGES APPEARING FOR EXAMINATIONS TO BE HELD IN MADRAS MUST OBTAIN THEIR HALL TICKETS AT THE OFFICE OF THE REGISTRAR, UNIVERSITY OF MADRAS, UNIVERSITY BUILDINGS, CHEPAUK, MADRAS, DURING THE THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATION. INFORMATION AS TO THE PLACES OF EXAMINATION WHERE THE CANDIDATES ARE TO BE EXAMINED IN MADRAS AND OTHER CENTRES WILL BE DULY NOTIFIED AT THE UNIVERSITY BUILDINGS AND IN THE *Fort St. George Gazette*.

15. No College student will be allowed to select a centre for his examination other than that in which the College he studies is situated except for satisfactory reasons and on the recommendation of the Principal of his College.

16. Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. Such identification certificates may be obtained from a Principal of a constituent or affiliated college, a Headmaster of a recognized High School, or from a responsible officer of the Government.

N.B.—Candidates should write on both sides of the answer-book.

17th February 1943.

Instructions to candidates appearing for the examinations to be held in 1943.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for distributing the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each answer book. Failure to write their register numbers may involve the rejection of answer papers. They should also fill in the subject and the year on the outer cover of the answer book.

4. Candidates are not allowed to exceed the time assigned to a paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued and their conduct will be reported to the Syndicate for disciplinary action.

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, blotting pad, cardboard, manuscript, or paper of any description and from making use of any of those whether introduced into the room by themselves or by anyone else; from communicating with or copying from each other; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in Mathematics, Physics, Chemistry, Chemical Technology and Geography of the Intermediate, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.Sc. and Pre-Registration (Medicine) examinations and to the candidates answering the Arithmetic and Algebra paper of the Matriculation examination. *Candidates should not bring into the examination hall their own copies.*

9. Candidates for examination in Science subjects shall submit their laboratory note-books to the examiners concerned on the first day of the practical examination. Each of the candidates taking Botany as the main subject for B.Sc. Degree Examination must submit at the practical examination his laboratory note-book, a collection of the named plants collected and preserved by himself and a record of the field work. *The candidates should get back the laboratory note-books at the close of the examination.*

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is requested to the instructions regarding rough working and loose sheets of paper printed on the answer books. *Answer should be written on both sides of the pages of the answer book.* All rough work must be done on the right hand side of the problem itself leaving a margin for that purpose with the heading 'Rough Work' underlined. *The number of each question as given in the question paper should be noted both in the margin and in the centre of the page of the answer book just above the respective answer.* No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. Candidates sitting for the examinations at the different centres should apply to the Chief Superintendent of the respective centre for their hall tickets three days before the commencement of the respective examinations. *Any particulars noted in the hall ticket differing from those given in the application for the examination should be immediately reported to the Chief Superintendent by the concerned candidate.*

It will not be permissible for candidates to sit for the examination at a centre other than that at which their names are registered without the special permission of the University. No permission for change of centre will be granted after the applications are registered.

14. *Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres. The officer from whom the identification certificate is produced shall however be the Principal of a college or a Government officer of rank not less than that of a Sub-Magistrate, provided, however, that in case of a candidate for the Matriculation Examination, an identification certificate from the Headmaster of a recognized high school will suffice.*

14. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

15. Candidates are forbidden to tear up paper, or to throw ink or papers on the floor. All 'spoilt' copies, etc., should be left on the desk where the candidates have been writing.

16. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instruction on this point in the examination hall from the Chief Superintendent of the examinations.

17. No candidate will be allowed to exceed the time assigned to each paper.

18. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

19. The answer papers should be stitched or pinned together at the upper left-hand corner, and the whole folded into two lengthwise (not crosswise into four). The register number, the place of examination should be written out clearly by the candidates on the top right hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

(N.B.—(1) Candidates are strictly forbidden to write their names on the answer papers.

(2) Candidates should distinctly understand that failure to furnish even any one of these particulars may involve the rejection of valuing their answer paper—particularly any answer paper sent up without the candidate's register number and name of centre will not be valued.]

20. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter, is liable to have his examinations invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

21. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

22. No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision in which he may have failed. The names of successful candidates in each subject arranged in two classes, First and Second, will be published in the *Fort St. George Gazette*. The pass-list for each grade of a subject as published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates asking for information as to the cause of failure or for a revaluation of the answer papers will not be attended to. No revaluation of answer papers is permissible.

Typewriting—Higher Grade—Oral and Practical Examinations.

9. With reference to the Proceedings of the Commissioner for Government Examinations, Madras, Memorandum C. No. 491-D/34, dated 18th July 1934, published on page 378 of Part I-B of the *Fort St. George Gazette*, dated the 24th July 1934, and with reference to the syllabus in Typewriting—Higher Grade (Oral and Practical portions only), the following list of duplicating machines that have been approved for use in connexion with the Government Technical Examinations is published for the general information of the heads of commercial institutions in the Presidency and in the Indian States and of the candidates offering themselves for the examination:—

- 1 Multor, hand feed.
- 2 R.R.R. No. 14, hand feed (Old R.R.R. No. 11).

- 12 Multi-print Rotary Dupliator.
- 13 Ellam's Dupliator B-19 Model.
- 14 Copygraph Dupliator.
- 15 Standard Model No. 7, Dupliator.

10. The knowledge of the duplicating machines mentioned above with regard to the cutting of stencil and the taking of copies on them will be demanded of candidates with effect from the examination of January 1935.

They are, therefore, warned to pay adequate attention to this part of the syllabus. Candidates are expected to bring with them when they attend the Oral and Practical examinations, any one of the above duplicating machines in addition to the particular kind of typewriter which they used while answering the written test.

11. *Seats and accommodation for the candidates.*—(a) Candidates will be permitted to bring with them for their use at the examination hall their own tables, chairs or stools, if they choose; provided they take care to see that by so doing, they do not give room to the slightest disturbance being caused in the examination hall.

(b) The candidates will be allowed to take their seats in the examination hall five minutes before the appointed hour for giving out the question paper and supplied with the necessary paper for answering and get their machines ready for work with paper inserted in them and to have their register numbers at the left hand corner of their answer papers and the particular kind of Typewriter they use at the right hand corner, typed before the question paper is given to them.

12. Candidates are strictly told not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on one of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are strictly warned not to take carbon copies more than what is required of them in the question paper.

13. The candidates will, if necessary, be examined in batches but at least every four candidates for the Lower grade, at least every two candidates for the Higher grade, must have one machine among them.

14. Managers and Instructors of institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

15. Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while their pupils are answering the question papers.

16. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate this to the Manager or Instructor if he is waiting outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter; his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the Manager or Instructor.

17. A similar concession will be allowed in the case of a private candidate, if he has some one outside who is willing to inspect the machine and put it right, etc.

18. *No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.*

In the Mufassal.

19. Heads of Institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined should make the necessary arrangements with the Chief Superintendent concerned four days before the examination and furnish him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

Typewriting (English) only.

20. Lower Grade—Candidate's Hall Ticket.—Tickets of admission specifying the particular batch (first or second and so forth in which the candidates elect to appear) will be issued on Saturday, 24th April 1943, between 11 a.m.

and 4 p.m. at the Office of the Commissioner for Government Examinations, Old College, Nungambakam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not provide themselves with tickets cannot claim to be admitted to any particular batch. They will be admitted only if spare seats are available in the hall, i.e., after seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chance of being provided with seats in the first or in any subsequent batch. To avoid all inconvenience and possible disappointment, heads of institutions who are desirous that their pupils should be examined in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on the day and date specified above with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admission accordingly. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

21. Candidates that have each a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from registering their names for that batch and obtaining tickets accordingly.

22. Candidates for the Higher grade may appear for the first or second batch at their option and no tickets accordingly are issued for this grade.

23. Instructor's Hall Ticket.—Managers or Instructors of institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on the day specified in paragraph 20 supra, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

REGULATIONS TO BE OBSERVED BY THE CANDIDATES.

Both at Madras and in the Mufassal.

24. No candidate will be allowed to enter the examination hall unless he wears a clean and decent dress.

25. No candidate suffering from any contagious disease will be admitted to the examination hall.

26. With a view to prove their identity to the Chief Superintendent of the examination, candidates are required to produce, on the first day of their appearance for the examination, an identification certificate from a responsible person, preferably a Government official. Candidates appearing from recognized or approved schools should also obtain a similar certificate from the head of the institution concerned.

The following form of identification certificate is prescribed:—

1. This is to certify that the bearer.....
son of.....
daughter of.....
is known to me and that ^{he}_{she} is a bona fide candidate appearing for the Government Technical Examinations in.....(subjects with grades have to be specified).

2. The signature of the candidate affixed below was taken in my presence.

Signature of the candidate.

Date.

Signature with designation or address.....

Date.....

27. Candidates in *all* the subjects must bring with them for use in the examinations their own rulers, erasers, knives, pens, pencils, carbon papers and ink of two or more colours (other than black) for map-drawing and drawing lines in Book-keeping, etc. Candidates are also informed that they must bring their drawing instruments with them for those subjects which require plans to be copied or scales, and diagrams to be drawn. The drawing paper required will be supplied to them at the examination.

28. Candidates in *Surveying and Levelling (Higher Grade only)* and in *Hydraulics and Irrigation Works* (both grades) will be allowed to bring with them their mathematical tables for use in the examination.

29. Candidates in the subjects, the practical examination in which requires the use of tools, etc., must bring their own tools, etc., with them.

30. Candidates in *Shorthand* will be allowed to transcribe their shorthand notes with a Typewriter. They will not be supplied with any 'thick' paper for the purpose, but will be allowed to bring with them their own 'thick' paper. If they wish to use such paper. The use of carbon paper will on no account be allowed in transcribing the shorthand notes with a Typewriter. If the machine used by a candidate, however, goes out of order, no extra time will be given to him to compensate for loss of time while the machine is out of order and is being put right.

31. At the end of the period allotted, candidates must give up both their shorthand and longhand performances to the Chief Superintendent for submission to the Examiner.

32. No candidate will, on any account, be allowed to take into the examination hall slates, books, or portion of a book, ruled sheets, manuscripts or papers of any kind. Any candidate detected in the violation of this rule or detected in speaking to, or in any way communicating with or copying from each other and in communicating with any other person outside the examination hall or having recourse to any unfair practices will be sent out of the hall forthwith and his conduct reported to the Commissioner for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

33. Candidates are requested to note carefully the particulars printed in the nominal list and satisfy themselves whether they tally with those given by them in their applications for admission to the examinations, so that any alteration with regard to their initials, name or class of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

34. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves including their address, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

35. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

36. Strict silence should be maintained in the examination hall.

37. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to quit the examination hall on any day until the expiration of half an hour from the time fixed for the commencement of the examination and candidates arriving after the expiration of that half-hour will not be admitted.

38. No candidate will be allowed to re-enter the examination hall during the hours of examination after once quitting it, nor to leave the hall without finally giving up his answer papers.

39. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

40. Candidates are forbidden to tear up paper, or to throw ink or papers on the floor. All 'spoilt' copies, etc., should be left on the desk where the candidates have been writing.

41. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instruction on this point in the examination hall from the Chief Superintendent of the examinations.

42. No candidate will be allowed to exceed the time assigned to each paper.

43. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period proscribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

44. The answer papers should be stitched or pinned together at the upper left-hand corner, and the whole folded into two, lengthwise (not crosswise into four). The register number, the place of examination and also (in the case of the examinations in Shorthand, the particular system adopted) and (in the case of the examinations in Typewriting, the name and Model number of the Typewriter used) should be written out clearly by the candidates on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[N.B.—(1) Candidates are strictly forbidden to write or type their names on the answer papers.

(2) Candidates should distinctly understand that failure to furnish even any one of these particulars may involve the rejection of valuing their answer papers—particularly any answer paper sent up without the candidate's register number and name of centre will not be valued.]

45. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter, is liable to have his examinations invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

46. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

47. No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision in which he may have failed. The names of successful candidates in each subject arranged in two classes, First and Second, will be published in the *Fort St. George Gazette*. The pass-list for each grade of a subject as published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates asking for information as to the cause of failure or for a revaluation of the answer papers will not be attended to. No revaluation of answer papers is permissible.
